Spanish Rap the Yankees.

New York, Jan. 19.—A cable to the Telegram from Paris, says: "The European edition of the Herald publishes the following, which will be read with interest:

"I beg to call your attention to the new Spanish customs tariff, which seems specially aimed at American manufactures. For instance, typewriters and office labor saving apparatus are heavily charged, the former some thirty-two times what it was before, but as the duty will now be payable on the net instead of gross weight, it really means only about sixteen times what it formerly was. The tariff was 24 centimes of a peseta per kilo plus 20 per cent war tax on gross weight. Now it is 800 pesetas per kilo plus 20 per cent war tax on the net weight, and at the current exchange is equal to 64 cents United States currency per pound weight."

The letter is signed by a Spanish importer.

Otis Opens Hemp Ports.

Washington, Jan. 19.—The following cablegram from General Otis was received at the War Department in answer to an inquiry from Adjutant General Corbin and shows the prospects of reopening the hemp ports in the Philippines:

"Obliged to use all available coasting vessels in supplying troops in the various islands. Am unable to move troops to the hemp districts as soon as anticipated. Am now collecting vessels here for that purpose. The United States transports are of too great draught. Have opened Romblon and Capiz and some hemp is coming in. Will open the hemp district as soon as possible, some time this month. Bates has about cleared up his province of Cavite, making large captures."
